Dear Sirs

Further to our conversation a moment ago (Rollo/Doran), I'm grateful for confirmation that you accept the letters to the Prosecutor signed by our client were sent in error and that they will not be used by Omnia Strategy. It is also noted that a copy of these letters was also sent in error under cover of an email dated 6 October 2021 ( 15.28).

In our conversation it was made clear by me that this undertaking should also extend to your clients. Any use of this letter in any proceedings be it in New York or Madagascar or anywhere else would be in breach of clause 6.3 of the Settlement Agreement and I look forward to receiving confirmation from you that the letters will be returned.

Yours faithfully

Nicholas Doran
